METID

As part of the Global Call for Best Sustainable Development Practices
CALL FOR
BEST NATIONAL SUSTAINABLE DEVELOPMENT PRACTICES
ON FOOD SECURITY - LEBANON

AWARD

to honor participating members from Lebanon,

For 2 Lebanese BEST PRACTICES submitted in the frame of EXPO Milano 2015 International competition on:

"Best Sustainable Development Practices on Food Security"

In cooperation with the CNRS-L, CIHEAM-MAIB is offering you the opportunity to take part of the EXPO Milano 2015 (May-October 2015) by covering your travel expenses, three-day full accommodation and assistance for administrative and logistics aspects (Visa issues, etc...)

Expo Milano 2015 has launched a call aimed at the recognition and promotion of "Best Sustainable Development Practices on Food Security" (BSDP) represented by policies, technologies, know-how, services and products, related to the theme of EXPO Milano 2015 "Feeding the planet, Energy for life".
