

***Chapter I***

***Introduction***

**Amin Shaban and Mouin Hamzé**

***Chapter II***

***Historical Background on the Litani River***

**Iman Abd El Al**

***Chapter III***

***Physical Characteristics and Water Resources of Litani River Basin***

**Amin Shaban, Ghaleb Faour, Mohamad Awad**

***Chapter IV***

***Studying the Physicochemical Characteristics of the Litani River Water***

**Nada Nehme and Chaden Hiadar**

***Chapter V***

***Assessment of the Physicochemical and Ecological Status of Qaraaoun Reservoir***

**Ali Fadel and Kamal Slim**

***Chapter VI***

***Groundwater Quality at the Upper Litani River Basin***

**Nabil Amacha and Safaa Baydoun**

***Chapter VII***

***Improving Water Use Efficiency and Productivity in the Litani River Basin***

**Ihab Jomaa and Amin Shaban**

***Chapter VIII***

***An Assessment of the Sustainability of Water Resources in the Litani River Basin***

**Nadim Farajalla, Yasmina Al Amine, Amin Shaban**

***Chapter IX***

***The National Plan for Litani River Remediation***

**Talal Darwich, Amin Shaban, Mouin Hamzé**

***Chapter X***

***Conclusion and Discussion***

**Mouin Hamzé and Amin Shaban**
